Alexandra Hospital, Ingersoll and Tillsonburg District Memorial Hospital Continue to Collaborate

Collaboration and partnerships between Alexandra Hospital, Ingersoll (AHI) and Tillsonburg District Memorial Hospital (TDMH) continue. Although both organizations remain two separate corporations, for the past year they have been meeting together for their Board meetings.

Bill Mayoros, AHI Board Chair, noted “This Joint Board initiative has enabled both organizations to preserve their independent corporations while, at the same time, function collaboratively at a governance level through a formal agreement.”

“This partnership enables both hospitals to plan a more coordinated level of care for our area. The AHI and TDMH Joint Board will continue to address our communities’ health care needs in a transparent and accountable manner,” explained Larry Phillips, TDMH Board Chair.
